

**Yellow warning
Thunderstorm**

Between
13:00 Thu 22 Jun 2023 and
20:00 Thu 22 Jun 2023

Heavy showers and thunderstorms causing some flooding and disruption in a few places.

What to expect

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- A chance of some flooding of a few homes and businesses, leading to some damage to buildings or structures
- Delays to train services are possible
- Probably some damage to a few buildings and structures from lightning strikes

Further details

Scattered heavy showers and thunderstorms are expected to develop from late Thursday morning. Many places will miss these, but where they do occur, 20 mm of rain may fall in less than an hour with 30 mm possible within two hours in one or two places. Lightning will be an additional hazard for some.

Showers and thunderstorms will then steadily die out during Thursday evening.

✓ Medium likelihood of low impacts
